><p>Rikki's mom

****Rikki Bennet is looking through a box of old stuff from when she was a little kid, when her husband Zane enter the room.****

"Hi, foxy Rikki!" says Zane.

"Hi, hottie!" says Rikki. "I'm just lookin' at old stuff from when Rikki Chadwick was a meek little kid."

"Wow, it's hard to believe that there was a time when Rikki was not cool, strong, confident and sassy." says Zane.

"Yeah, but it's true. I wasn't always the very sassy girl that you fell in love with, sexy one." says Rikki.

Rikki shows Zane a photo of 10 year old Rikki.

"Can you believe that this is the woman you love so much?" says Rikki as she giggle a little.

"Actually I can! I think you're cute in that photo, Rikki." says Zane.

Zane finds a photo of a blonde woman who seem to be about 40, 45 years old, but it's clearly not Rikki, even though she's very similar to Rikki.

"Who's this?" says Zane.

"That's my mom, Kathryn Britney Lauranna Chadwick when she was 41." says Rikki.

"Oh, now I see where you got your beauty from, Rikki." says Zane.

"I know...mom was very sexy." says Rikki.

"Your dad must have been totally into her when he first met her." says Zane. "Just as I thought you were very sexy when I saw you for the very first time."

"Guess he was. My mom met my dad, when dad was in the military. He had a night off and went to a club where he saw mom dancin' around, wearing a tight purple dress. He used to tell me that it was like seeing an angel and that I would one day grow up to be just as sexy and beautiful." says Rikki.

"Your dad was right, baby. You really are just as beautiful as your mom. Or even more beautiful than she ever was, actually." says Zane with a smile.

"Awww, Zane! You say such wonderful things." says Rikki in a soft sweet girly tone.

"I'm doin' my best..." says Zane.

"Zane, sexy one...you said that you were into me the first time you saw me, but that has to be the day when I first started at GC High and you didn't even talk to me back then." says Rikki.

"I know. I really was into you when I saw you that day, but you know what a jerk I was at the time. I couldn't admit to myself that I had a huge crush on the new girl. Sorry, babe..." says Zane.

"It's cool, Zane. That was years ago. I know that I'm the only lady for you." says Rikki with a sexy smirk.

"Since I never got to meet your mom I gotta ask...do you think she'd been okey with the fact that you're in love with me instead of a man who's a doctor or something?" says Zane.

"My mom married my dad who was a hard-edge badass military kind of guy who ride a motorbike and drink beer and brandy. She would be okey, no matter who my husband is. As long as I'm happy she'd be happy." says Rikki.

"Good to know!" says Zane with a small friendly laugh.

"Zane, hottie...you're so fun." says Rikki as she actually blush a bit.

"I love you, Rikki Melanie Bennet." says Zane.

"I love you, Zane William Bennet." says Rikki.

Rikki give Zane a sexy hot kiss.

"Rikki, what do you say about havin' a dinner with your sister

tomorrow night...?" says Zane.

"Dinner with Wendy? I haven't seen my half-sister for over a month. That could be fun. Okey, I'll call her later." says Rikki.

"Speakin' of Wendy..." says Zane. "She's got your mom's beauty too, but you're the one I love."

"Don't worry, Zane. I know that you only want me. Though you're right. Wendy's a pretty lady too. Most Chadwick girls are sexy." says Rikki.

"I think of myself as a very lucky man. Lucky to have such a wonderful wife as you, Rikki." says Zane.

"Oh, really? I thought I was the lucky one. I have the best husband ever." says Rikki with a smile.

****The End.****
